

Holiday Lights 2023

Most Requested Items

Applewood's Holiday Lights Program is designed to bring holiday joy by providing gifts for the hundreds of at-risk children and teens to whom Applewood Centers provides individual and family therapy, after school programming, residential treatment, and foster care services. Each year we call upon individuals, businesses, and local organizations to participate in Holiday Lights. Your donation at applewoodcenters.org/donate will purchase one of the following items and bring joy to someone in need.
